TRIBUTE TO FOUNDER CHAIRMAN SHRI DADA CHELLARAMJI KRIPALANI

With heartfelt gratitude, we remember Late Dada Chellaramji Kripalani, whose generosity, vision, and commitment to humanity continue to inspire our journey.

REMEMBRANCE

During the year we saw with great sorrow the passing of our Director Emeritus, Smt. Ashadeviji, devoted wife of Shri Chellaramji, our Founder Chairman on 28/11/2025. Subsequent to the demise of Shri Chellaramji, to whom she was a pillar of strength, Smt Ashadeviji was kind enough to continue supporting and guiding us in all our endeavours.

It is with deep love and respects we offer our prayers and are sure, both Shri Chellaramji and Smt Ashadeviji continue to shower us with their blessings to serve humanity.

NOTE FROM CHAIRMAN

It is one more year of satisfying service to the society by our Company in the sectors of Education, Skill Development and Health with totally 72,818 beneficiaries receiving our support in their need of hour.
As always, large hearted generosity, vision and ever willing commitment of our Founder Shri Chellaramji to serve humanity continuous to inspire us and lead us in this noble path.

During the year, we also lost from our midst Smt Ashadeviji who was kind enough to continue supporting and guiding us subsequent to the bereavement of Shri Chellaramji. Our prayers for the departed soul to attain sadgathi and to shower us with blessings to serve the needy manyfolds.

I am sure our noble initiatives set for rapid expansion in coming years find the right track and receive support from one and all.

Inspired by the enduring legacy of Lt. Dada Chellaramji Kripalani — whose compassion, generosity, and commitment to humanity continue to guide our mission and inspire lasting change..

NOTE FROM CHAIRMAN

To begin with, we would be joining hands with Visveswaraya Technology University (VTU) for establishing one – "Centre of Excellence" at their Campus in Nagarabavi, Bengaluru. This Centre shall function more like Finishing School hosting three or more Computer Laboratories, equipped with best of technology products and facilities to impart advanced training in Emerging Technologies for soon to be Engineering Graduates.
Our ultimate goal remains establishing a Skill University that would primarily help poor students learn skills, find employment and earn livelihood for the families.

This activity will be initiated under a new Company to be registered as "not for profit" Company under applicable laws.

Inspired by the enduring legacy of Lt. Dada Chellaramji Kripalani — whose compassion, generosity, and commitment to humanity continue to guide our mission and inspire lasting change..

MESSAGE FROM THE DIRECTORS

We have completed one more year in the service of humanity. Our focus was towards providing education and vocational training to strengthen dependent people, so that they are equipped to support themselves financially for the rest of their lives. This is in addition to our continued activities in Health sector by extending financial support to poor and needy people requiring heart , eyes, BMT and scoliosis surgeries and regular treatment .

Over last year JSSF helped 16,178 under education , 55,080 under medical and 1,611 under upliftment & family sustenance as beneficiaries totaling to 72,869 support recipients in their need of hour.
Let us all pray for the continued blessing of the Almighty upon us to serve the deserving with full hearts that would make the world a better place to live.

In memory of Lt. Dada Chellaramji Kripalani — whose spirit of compassion continues to guide our mission.

5	**Migrant Students Education** *Sampark Foundation, Doddakannalli* 56 migrant students | Basic education, mentoring & learning materials	**Budget** **₹18,04,080**

SUCCESS STORIES

Migrant Children Education

Sampark Foundation

80 migrant students from multiple states are receiving basic education and a supportive learning environment. 20 students have been enrolled in Government School GHPS Ibbalur for formal schooling, bridging gaps caused by frequent family movement.

Deafblind Children – Kolar

Sense International India

Five children with deafblindness received personalized care, communication training, and need-based education at the Kolar center. Parents reported increased confidence as children showed encouraging progress in communication and learning.

Baby of Seetha (UN NAMED) – Heart Surgery

Have A Heart Foundation

A one-month-old infant from Mandya District underwent life-saving cardiac surgery at Narayana Hrudayalaya. HAHF reduced the package by 40%, mobilized funds, and bridged the gap with ₹40,000 — giving the child a new lease of life.

Baby Unnath – ROP Treatment

Have A Heart Foundation - HAHF

Diagnosed at Stage 3 Retinopathy of Prematurity at one month, Baby Unnath faced permanent vision loss. HAHF's swift intervention provided complete financial support for laser treatment, transforming an uncertain future into one of hope.

ALL PROGRAMS PHOTOS - EDUCATION

Forever remembered, forever respected, forever inspiring generations to serve with compassion.

ALL PROGRAMS PHOTOS - HEALTH

"In loving memory of Lt. Dada Chellaramji Kripalani, whose legacy of compassion continues to inspire and guide our mission.".

ALL PROGRAMS PHOTOS - VOCATIONAL TRAINING

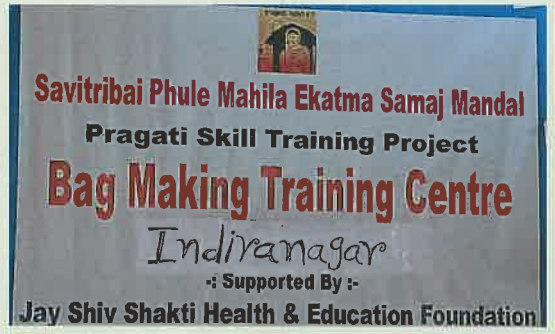

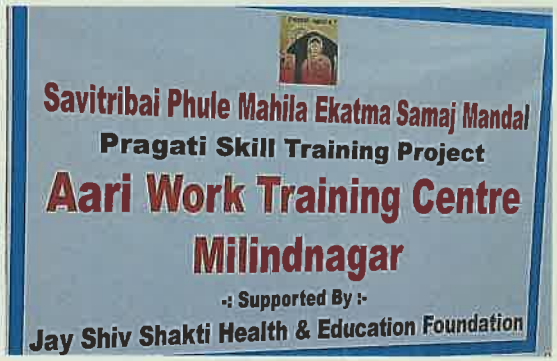

May his inspiring ideals continue to strengthen our commitment to transforming lives and building a better future for all.

ALL PROGRAMS PHOTOS - VOCATIONAL TRAINING

May his remarkable legacy remain a guiding light, encouraging us to serve with dedication, compassion, and purpose.

ALL PROGRAMS PHOTOS - PURBOTTAR VIKASH PARISHAD

May his timeless vision continue to inspire and lead us as we strive to create a lasting impact in society.

THANK YOU

Sahayogis, Partners & Well-Wishers

Your generosity makes this journey possible.
